

## KT KUP SRBIJE (19.09.2009.g.)

### Prijavljeni rezultati

KT KUP SRBIJE za 2009 je održan 19.09.2009.g. Takmičenje je održano prvi put po novim pravilima usvojenim od strane IO SRS. Na adresu komisije takmičenja su stigla 80 dnevnika od čega 10 za kontrolu. U donjim tabelama su prikazani prijavljeni rezultati onako kako su ih takmičari prikazali u svojim dnevnicima i u zadnjoj koloni je obračunat "claimed score" - programski (poeni za greške koje je takmičar označio u dnevniku nisu računati u zbiru). U jednom delu dnevnika ima razlike između dva prikazana rezultata i najčešći uzrok su dnevnici koji su rađeni u programima koji ne obračunavaju "NY" kao množitelj i stanice sa prefiksom "YU4", a nisu sami prepravili generisan rezultat. Originalne dnevnike onako kako ih je komisija primila možete download-ovati preko linka na ovoj strani (u zip formatu).

Poštom su stigla 2 dnevnika, u papirnom formatu. Datum na žigu pošte je u okviru vremena za prijem dnevnika tako da će se ova 2 dnevnika koristiti kao dnevnici za kontrolu, kako je regulisano pravilima takmičenja. Radi se o stanicama 4O3RR i YU1TO.

Stigao je još jedan dnevnik poštom od YU1AR, ali sa žigom pošte posle objavljivanja dnevnika tako da se taj dnevnik neće uzeti u obzir ni kao dnevnik za kontrolu.

Ove godine, u kategoriji "H-Timovi", neće biti plasmana jer se ni jedan tim nije prijavio u roku predviđenom pravilima takmičenja.

Nezvanični rezultati će biti objavljeni u roku predviđenom pravilima.
