

AMATEUR RADIO ASSOCIATION OF SERBIA  
RADIO KLUB "BAGDALA" YU1ADO

### **KT competition rules "VIDOVDAN 2017"**

**ORGANIZER:** Within the celebration of the municipality of Krusevac - St. Vitus, Radio club "Bagdala" - YU1ADO organized KT competition "Vidovdan 2017".

**II PARTICIPANTS:** All licensed ARS in the country and foreign countries.

**III TIME:** Competition is held 23.06.2017.god. (Friday)

at frequencies of 3.5 MHz to 3.8 MHz (DX outside the range) and that of the two periods

1. The first period CW

From 19:30 to 20:15 (CET) at frequencies from 3.510 to 3.580 MHz.

2. The second period SSB

From 20:15 to 21:00 (CET) at frequencies from 3,675 to 3,775 MHz.

### **IV DATA EXCHANGE**

The Exchange: RS (T) and serial number starting from 001 (to be continued in the second period)

and auto-registration number. Example: 599001 BG. Participants from outside of Serbia provide, in addition to the RS (T) and the ordinal number of connections, and the label NY. Example 599 001 NY.

Station organizer YU1ADO from Krusevac sending units report without numeration connection with the designation (VD) telegraphy and telephony word "Vidovdan".

### **V The categories in the competition:**

1. One operator

2. More operators

3. Stations outside Serbia

### **VI SCORING:**

-All right links are: CW - 3 points, SSB - 2 points.

### **VII Multiplier**

-Množitelji are made Serbian car license plates, and labels which give NY NON YU stations, which do, during one period.

-YU1ADO VD worth as three (3) multipliers.

- Own label does not count as a multiplier.

### **VIII Summation**

- The same station is allowed to do only once in each period.

- Number of points in one period is obtained by multiplying the sum of QSO points by the sum multipliers in this period.

- Total score is the total points from both periods.

- Any incorrect connections (incomplete, or typed incorrectly received data) will not be counted in the final sum.

- The difference in time made a connections that is more than 5 minutes between 2 correspondent, will be considered incorrect connection.

- Call sign of the station that sends the log must be registered in at least 10 dailies in both periods ( account it also wrongly received sign ), to such a connection was recognized those who have properly received callsign.

- call sign, which did not send the log must be registered also in at least 10 dailies in both periods (counted incorrectly received character), so that such a connection was recognized by those who have received the correct call sign.

- Selective reporting only individual stations are not allowed.

**IX POWER ARS:** ARS Power must be reconciliation with the operator's license.

**X PRIZES:** The First Places cup or statue.

Organizer awarded diplomas electronically for the first 3 places per category.

**XI Competition Commission:** Competition Commission will review logs YU1ADO the following composition  
YU1SZ, YU1SS, YT1TS

**XII SUMMARY AND LOG SHEET:**

The log contains: date, time (CET), callsign correspondent, exchanged report and serial numbers, and visibly marked multiplier.
