Comments :

For the first time Marconi Memorial Contest was evaluated with the IARU Region 1 Contest Robot. Here are the final results for 2017 : we received 699 logs from 27 different countries.

From 2018 there will be some changes following new IARU Reg.1 rules :we will have a unique 6H section with Single and Multi Op. merged and we will introduce two new categories : *Single Op. LP Single Antenna System* and *Multi Op. LP Single Antenna System*.

Also for the next years MMC will be evaluated with the IARU Region 1 Contest Robot that it will be modified to apply the new rules.

Here it is the map of participants that sent their log :
