T	TEAMS		

The chosen location and call sign cannot be changed during the contest.

- A call sign can appear in only one of the 144MHz categories: **A**, **B**, **C** or **D** as well as in one of the 432 MHz categories: **E** or **F**.
- The category **J** refers to the competitors with the **same call sign**. It stands for the absolute category where competitors are ranked according to their score points in each other category participated. Those can be **A6** or **B6** 50 MHz one of **A**, **B**, **C** or **D**, 144 MHz, one of **E**, **F**, and **G**.
- The category **T** is created for Serbian competitors only: team consist of stations with various **call signs** in each category **A6**, **B6** 50 MHz, **A**, **B**, **C**, **D** 144 MHz, **E**, **F** and **G**. **Teams are made of 4 to 9 different stations** who share the same “**name**”. Team lead has to inform the organizer about team's participation at last 48 hours before the contest.

Team information must contain: name and call sign of the team leader, name of the team, call signs of all team's members, categories in which they will participate and WWL locator of each station. Selection of the contest location is arbitrary for team members. A team member will credit his score to his team according to the paragraph 8. Organizer will confirm reception of such information.

- The competitors outside Serbia shall send their logs for ranking if they have completed at least one contact with station from Serbia and will be ranked in separate categories: **OA6**, **OB6**, **OA**, **OB**, **OC**, **OD**, **OE**, **OF**, **OG** and **OJ**.

6. BANDS:

VHF	144 MHz
UHF	432 MHz 1,3 GHz and 2,3GHz
SHF/EHF	3,4 5,6 10 GHz and up

Every participant has to respect IARU region I band plan, operate within limits of his license and obey regulations of his own country.

7. MODE: CW, SSB, FM

Contacts completed or assisted by: retranslators, repeaters, EME as well as the contacts made by special modes (WSJT, PSK, HSCW) are not valid for contest.

8. EXCHANGES: call signs, report, serial QSO number starting from 001 in each band increasing by one for each consecutive QSO, WW QTH locator and QSO confirmation.

9. SCORING: The final score in categories **A, B, C, D, E, F** and **G** is computed by adding **QRB** points and **QTH** points.

QRB POINTS are calculated for each band in the following way:

VHF	144 MHz	1 point/km
UHF	432 MHz	1 point/km
UHF	1,3 GHz	1 point/km
UHF	2,3 GHz	2 points/km
SHF	3,4 GHz	3 points/km
SHF	5,6 GHz	5 points/km
SHF/EHF	10GHz and over	10 points/km

QTH POINTS: Each new **QTH** square (KN05, KN04 etc.) worked on each brings of 1000 points..

Scores for categories **J (OJ)** and **T** is calculated by adding „ranking points“ from all other categories in the following way: the best total score (first place) gets 100 ranking points (100%). All others will receive their ranking points proportionally less - according to the ratio of their score and the best score (percentage of best score). In case of equal points (categories J, OJ and T) better ranked competitor (or team) is one having more members in operating categories.

10. The points will not be calculated:

- For doubled qsos, for the qsos not confirmed in other logs, for the qsos where the time differs for more than 10 minutes, for incomplete qso exchange and for the qsos not valid in the contest.
- The station will be disqualified for breaking contest rules, falsifying qsos, giving the wrong WWL, working outside the band, jamming other competitors etc. Participants who violate the rules will be placed in the check log.

11. LOG must be held separately for each band. EDI format is mandatory.

Participants are required to accurately fill the EDI file header.

Log must be send to <http://89.216.109.67:82/> no later than **7 days** after the end of the contest.

12. The organizer will:

- Confirm reception of the log within 24 hours.
- Forward the logs to the international Log exchange.
- Any complaints to preliminary results should be e-mailed to tesla@srv.org.rs no later than 8 days after the issue of the results.
- Response to comaplint will communicated back to the complaine.
- VHF committee will publish results on the SRV web site <http://www.srv.org.rs> Final results will be published in HAM magazines and distributed to national associations of the participants as well.

13. AWARDS:

- **For participants from Serbia:** Trophy for the 1st place in each category. The best team in category **J** will receive SRV Cup. Team that wins the Cup three times in a row or five times in total will hold the Cup for good.
- **For Competitors outside Serbia:** Award will be issued for the 1st place in category **OJ**.
